Sir,

Subject:- Disposal of audit objections in Chickballapur Municipality for the year 1942-43

****

I have the honour to forward herewith the report received from the President, Chickballapur Town Municipal Council dated 18th November 1947 in regard to the disposal of certain audit objections on the accounts of the Municipality for the year 1942-43, and to state that the auditor has pointed out three instances noted in the extract o the audit note enclosed for reference in which the President has made irregular payments without obtaining sanction of competent authority

The first objection is that Rs 10-10-0 was spent in purchasing Ragi for distribution among the poor on the birth day of His Highness the Maharaja of Mysore and that Rs 2/- was paid towards Arati during procession in the town The President explains that these two are items of expenditure which are incurred every year

Secondly, the council have purchased a table at a cost of Rs 69-12-0 from Tumkur and have paid Rs 14/- for frieght and other charges to convey the article from Tumkur The Auditor has pointed out that this item of expenditure was unnecessary and could have been avoided if the article were purchased locally The President explains that the table was purchased from Tumkur as it was found cheaper when compared with the local rates

Lastly, cart hire at an enhanced rate of one rupee for each, for three carts employed for removing street rubbish in the Town over the sanctioned scale by Government, has been objected to

Except the expenditure incurred in respect of item No 1 stated above, the other items of expenditure are certainly objectionable and the President should not have spent money on these items without obtaining

obtaining previous sanction of Government The Municipal Council after considering the audit objections at their meeting held on 24/8/47 have resolved that sanction of Government may be obtained to waive these objections and to sanction the action taken in the past by the then President - The President has however been requested not to give room for such omissions in future and that the amounts unauthorisedly spent would be made a surcharge in case room is given for such repetition I request you to kindly obtain sanction of Government to the resolution of the Council dated 24/8/47 to waive the audit objections and sanction the items of expenditure ~~xxxxxxx~~ incurred from Municipal Funds
